OBITUARY

Roger Alan Doughman, much loved father, grandfather, and dear friend, passed away peacefully of natural causes on September 20, 2023, at the age of 92. Roger was happy, gregarious, and led a fulfilling and meaningful life.

Born and raised in Cincinnati, Ohio on April 16, 1931, Roger was the son of Herbert and Evelyn Doughman.

He worked for the County of San Diego for over 30 years. As a traffic engineer with the department of public works, he ensured the safety and efficiency of our county road systems.

His lifelong passion was playing bridge, a game that fosters strategic thinking and social connections. In April of 2004, he achieved the 10,000 master point plateau.

Roger's dedication to the First Presbyterian Church of San Diego reflected his commitment to his faith and community. He attended for many years, and served as a deacon which involved a significant level of service and support within the church. Roger had a positive and lasting impact on the church community and will be missed by many.

Roger was preceded in death by his brother Earl Doughman. He is survived by his friend Suzanne Trull, his sister Lois Cronier, his children Dorothy (Jay) Sorensen, Robert (Sandra) Doughman, Ronald (Karen) Doughman, and June (Rene) Rodriguez, as well as six grandchildren, and one great grandchild, who remain a part of his lasting legacy. The bonds they shared will continue to be cherished and remembered.
